Do You Like to Volunteer ...

There are many opportunities available at the Fairgrounds if you like to volunteer. The Gallatin County Fair in July and the Wild West WinterFest in February are the two

main events where volunteers are always needed.

It may be office help, admission gates, taking entries or even displaying items from open class entries, but your help is

always needed somewhere.

If you are interested, please contact the Fairgrounds office at 582-3270 for volunteer opportunities.

Marketing Minute - Wolf Suzuki

As the Holidays are fast approaching and the Fairgrounds is in full gear planning the 2010 WinterFest; everybody is busy bustling to get things planned. The 2009 WinterFest brought ten thousand people to the Fairgrounds in February for music, activities and wintertime fun for all ages. WinterFest is a great way to break up the winter and get out to enjoy a quality family event. However, as great as the event continues to be year after year, it would not be possible without one of our premier sponsors, Wolf Suzuki of Bozeman. Wolf Suzuki came on board as a day sponsor for the 2009 WinterFest and was a great addition to the event. Wolf Suzuki of Bozeman is one of four Wolf dealerships in the Northwest. Buck and the crew at Wolf Suzuki prides themselves on great customer service and the largest inventory of pickups in the Gallatin Valley. If you attended the 2009 WinterFest you brought out to the grounds. Wolf is a strong community supporter of both the Fairgrounds and WinterFest. As you anticipate the 2010 WinterFest, don't forget to check out Wolf Suzuki and say hi to Buck and the gang.

FairEver Yours ...

2009 is rapidly coming to a close. Seems like just last month we heralded in the new year!. Time flies when you're having fun and that's just exactly what we specialize in here at the Fairgrounds – FUN!

The year has been full of wonderful surprises and huge successes. Even in these difficult economic times the 2009 Wild West WinterFest was a great success as was the County Fair. Thousands more people visited those two events and left with smiling faces. Many of our residents decided to take a "STAYCATION" and take in all the wonderful events and activities our community has to offer. Another surprise was almost all of the regular annual events that have been held at the Fairgrounds for many years were back again. The Optimists' Garage-a-Rama, Antique Shows, Gun Shows, Home Shows, Horse Shows and many other community events were at the Fairgrounds for people to enjoy. There were even new events added to the Fairgrounds schedule. Multiple concerts, wedding receptions, a Draft Horse Auction, Northwestern Energy Customer Service Event, a new Brew Festival and several other unique activities were hosted for the first time this year.

2009 also brought many things to be thankful for. The many volunteers who help to make the County Fair and WinterFest events the community wants to attend are so appreciated. They donate countless hours to make the events the best that they can be. The many sponsors who step forward with services, products and cash are invaluable. They allow the Fair and WinterFest to grow. The sponsors also help with improvements to the Fairgrounds that make it a friendlier and safer place for those who use it. The volunteer Fair Board members who meet and make decisions to keep the Fairgrounds moving forward are very dedicated community leaders and their time and expertise are real assets to the Fairgrounds and residents of Gallatin County. The support from the residents of the county make it possible for the Fairgrounds to be open and available on a year round basis for youth, cultural, commerce and nonprofit activities and events.

So from the Staff at the Gallatin County Fairgrounds ... THANK YOU EVERYONE! We wish you a very Merry Christmas and a Happy Holiday Season. We know that 2010 will bring more opportunities for us to serve you and to improve the Fairgrounds.
